

Civil society organization DRAGODID and International Scientific Society for Dry Stone Interdisciplinary Study (S.D.S.) invite drystone practitioners, researchers, professionals and enthusiasts at the:

XVII° INTERNATIONAL CONGRESS & WORKSHOP ON DRY STONE
October 1st - 3rd 2021, Konavle, Croatia

“Dry stone perspectives: challenges after the UNESCO inscription”

17° international congress on dry stone
KONAVLE 2021

**Under the patronage of Croatian Ministry of culture and media,
hosted by Konavle Municipality**

Workshop: September 27th - 30th 2021

Congress: October 1st - 3rd 2021

PROGRAM

Sunday, Sep 26th

Arrival of workshop participants

Monday, Sep 27th - Thursday, Sep 30th

International drystone workshop

Drystone professionals will work together with volunteers and enthusiasts, with guidance from a local drystone artisan, on a restoration of a damaged dry stone pond used by locals for agricultural irrigation. Before the workshop, organisers will drain it, clean it and transfer the living organisms to a bigger pond.

Thursday, Sep 30th

Arrival of Congress participants

Thursday, Sep 30th late afternoon

Visit to workshop site

Thursday, Sep 30th evening

Welcome reception to Congress!

Friday, October 1st

9 Opening address

9.25 A. Acovitsioti-Hameau, France: Homage to the late Jean Nicod

9.35 Instructions for presentations
